### ANOTHER WAY TO SPOTLIGHT YOUR MEMBERS

**GFWC Members Who Recruit:** This is a program offered by GFWC and will spotlight your members who recruit. Just send me the name of each member who has recruited five to nine new members. They will receive a white star pin from GFWC. 10-14 new members recruited receive a red star; 15-19 receive a blue star; 20-24 receive a silver star; 25-29 members receive a gold star. Then when a member has recruited 30-34 new members they will receive a white circle to be worn behind the star pin. There is no beginning date or ending to this program.

This is an excellent way to highlight the work of your members in promoting your clubs. We look forward to putting a Shining Light on this program. As your GFWC Florida Second Vice President, it will be my honor to order these pins. Keep Shining Your Lights! Linda
