Congratulations, in 2017 GFWC Florida awarded **3 (three)** \$3,000 Scholarships. The scholarships were awarded to 3 women who returned to school to better their careers. The recipients are:

- **Jennifer Chouinard:** A single mom of a 16-year-old boy. This scholarship will allow her to continue her education without the worry of how to pay for it. Jennifer is attending Nursing School at Florida State College in Venice, Florida.
- **Angeline Koplau:** A single mother of 4 children and an adult learner. She is enrolled in the Occupational Therapy Assistant program at the State College of Florida in Venice. It has been a difficult path but she is thankful to be able to have a promising future for herself and her family. Angela was also a recipient of a 2016 \$2000 GFWC Florida Scholarship. She has made the Dean's List numerous times and was inducted into the Phi Theta Kappa Honor Society
- **Kimberly Milligan** A single mother who was working full-time and going to school part-time, while keeping up with my two children and their extracurricular activities of football, soccer and gymnastics. Becoming a nurse will allow her the stability of a high demand job. Kimberly is attending Florida State College at Jacksonville.

GFWC Florida will once again award **3 (three) \$3,000** scholarships to women returning to college who need financial assistance for education to achieve their goal to gain employment and become self-sufficient. The application and recommendation forms are available on our website: gfwcflorida.org under resources. The student must be enrolled as a **full time** student and attend an accredited public Florida College, University or Technical School. The deadline for receipt of the application and all supporting documentation is **March 1, 2018**. The application and supporting documentation must be submitted on line to: Candi Aubin at aubin5@aol.com .

If you have any questions, or would like additional information about the scholarship program, please do not hesitate to contact me, Thank you for your support and dedication to the GFWC Florida Scholarship program.
