

## **Fashion Show:**

Have someone from your club email Brianna at [BriannaLSchroeder@gmail.com](mailto:BriannaLSchroeder@gmail.com) to be given their theme and let her know which person your club chooses. You will be dressing up one person from your club as the chosen woman from the given theme and writing a synopsis about the person to be read. Each club will be given a white board and marker, and they will be guessing the woman that other clubs are dressed as. Points will be awarded for correct answers and the club with the most points at the end of the fashion show wins. Don't choose someone too hard, but don't make it too easy, either. You can really capitalize from the synopsis in how detailed or vague you are depending on the clearness of the outfit.
