"Preserving our Past

&

Ensuring our Future"

Your GFWC Florida Home is not just an office!

GFWC Florida Headquarters, located at
4444 Florida National Drive in Lakeland, Florida

We have a headquarters building because
Past Presidents had a vision.

It is YOUR home,

It is also the home of our GFWC Florida History archives
that collects, preserves, interprets and promotes the

History of the
GFWC Florida Women Volunteers

Updates to our Headquarters are made possible
from

Members who join **"The 1895 Society"** yearly

"Headquarter Wish List"
