By the time you read this bulletin, many of you will be packing your suitcases and getting ready to travel or Orlando for the 2017 GFWC Florida Annual Convention, “The Great Gatsby Weekend.” Not only will we be “dressing” for the occasion but many of our clubs and individual members will be recognized for their outstanding community service. I am proud of the many accomplishments that your club has achieved during 2016 and look forward to seeing your excitement when your name is called as a winner.

It has been a pleasure working with Ron Ward in compiling your club’s statistics and preparing certificates for each winner. He has also prepared a few graphs (pictures speak louder than words) to share with you. Please note the explanation for each one.
