THANK YOU, THANK YOU, THANK YOU !!!

I really appreciate all the Conservation reports from the state of Florida. I had over ninety reports. They came from every District and every Category.

COMMUNITY SERVICE PROJECTS:

Number of projects	668
Volunteer hours	43,700
Dollars donated	\$27,806
In-Kind donations	\$68,876

PARTNERSHIP PROJECTS:

Number of projects	218
Volunteer hours	275
Dollars donated	\$758

I can't tell you who won by category, but I can tell you I nominated:

GFWC Woman's Club of West Broward for the Club Creativity Award. The project was The Last Plastic Straw Mission. The goal was to do away with plastic straws because so many end up as litter that ends up in our waterways. They ask restaurants to wait until asked to be given a straw.

The ten clubs I nominated for the State Awards were:

GFWC Viera Woman's Club  
The Nature Generation  
GFWC Woman's Club of Welaka  
Pennies For Pines  
GFWC Temple Terrace Woman's Club  
Riverwalk Planks at Riverhills Park  
GFWC High Springs New Century Woman's Club  
Field of Dreams  
GFWC Gulf Coast Woman's Club  
Envirothon  
GFWC Dade City Woman's Club  
St. Jude Recycled Card Program  
GFWC Woman's Club of Macclenny  
Animal Rescue and Management: Catty Shack  
GFWC Miami Springs Woman's Club  
World Wildlife Federation  
GFWC Woman's Club of Coconut Grove

Air Conditioners for Under-sourced  
GFWC Junior Woman's Club of Lakeland  
Live Green Lakeland Festival

CONGRATULATIONS TO YOU ALL !!!

Thank you for the opportunity to serve you and for the positive and wonderful time I had speaking at your clubs, answering your questions and letting me share Conservation ideas.

Good Luck to the new 2018-2020 Conservation Chairman.
